

program PAINTING, CONTEMPORARY TECHNIQUES

The course aims to develop a project from an idea or a personal thought. In this initial process, the teacher will assist the student. Once the project is selected, the proper way of developing it will be explored, considering the most appropriate forms of expression, materials and media (In the case of doing and installation, a study will be developed through sketches).

- Students may also be using some lessons to visit some exhibitions and museums.

This course is available in the following levels of attendance:
